It’s all because of you…Thank you!

“I have been so incredibly happy with the service that is provided to my children. They are happier, feel more secure, and are growing from being at Ryther.”
Parent of client in Mental Health Outpatient Treatment

“The therapist and psychiatrist I saw listen to me and make sure that I meet my goals and that they support them as much as possible without judging.”
Teen client

“Thanks to help from Ryther, I am 1+ year clean from any type of drugs and one month clean from self-harm.”
Teen client
Dear Friends,

As Ryther has the honor of completing its 132nd year providing urgently needed behavioral and psychiatric services to children and youth, we realize each day how fortunate we are to have your support, confidence and compassion. We never forget that you are with us, day in and day out, in our efforts. Together, we are making a real and sustainable difference for each child, youth, young adult, and family struggling with trauma, mental health, and substance use concerns as well as the impact of autism. As we all know, these challenges can have significant and negative impacts on the rest of their lives without the intervention and services that you make possible through Ryther.

Please always remember that it is because of your support and caring that Ryther is able to continue to provide services to some of the most vulnerable young people in Washington State. That help and support is as critical now as it has ever been. The Cottages – our inpatient program that provides clinically intense services to some of the most impacted children in foster care – is the last one of its size in the State serving children between the ages of 6 and 14.

Additionally, because of your support, we are now joining with local schools, social service providers, the Seattle School District and other local entities to provide and expand services to the children, youth and young adults who most need the clinical excellence and innovative care offered through Ryther. While we reach out to help children and their families, we are acutely aware that we could not do this without the help of our community. Thank you for being a part of that community! We are grateful to each and every one of you.

With Gratitude,

Karen Brady, MSW/MBA

Mental Health Outpatient Treatment is for children ages 2-24 and their families, including psychiatry, psychological evaluations, autism assessments as well as DBT Skills for teens, evidence-based therapies, Emotional Regulation, Parent Support and Social Skills Groups.

Care Coordination helps families and youth to effectively manage physical health and behavioral healthcare needs through partnering with providers, care coordination/case management, and connecting with appropriate referrals.

Substance Abuse Disorders Services provides assessments, co-occurring treatment and Level I outpatient counseling for teens 13-18.

Group Care Enhancement provides substance abuse specialists to local agencies through partnerships to meet the needs of at-risk teens and young adults.

Transitional Youth Services, for youth and young adults experiencing homelessness, provides mental health services on-site at local drop-in centers and transitional living programs.

Parent Coaching and Education is available to address the unique needs of each family.

Aspiring Youth hosts summer camps and year-round social skills groups for youth with Autism Spectrum Disorders, ADHD, developmental delays, as well as early intervention/coaching for teens and their parents.
These children, teens and young adults got help in 2016 because of your support.

Thank you Ryther League!

From home-baked cookies, birthday cakes, quilts, Easter baskets, Summer Totes, and Welcome Bags to kitchen supplies, summer activities, pool parties, haircuts, carnivals and the Kids Holiday Store, we can’t express our gratitude enough for your hard work and dedication! Through your efforts you have provided critical funds for therapeutic items, clothing and operational support for the cottages. The all-League fund-raiser, the ReStyle for Ryther thrift store in Ballard continues to provide needed revenue for the cottages. We couldn’t do our job without your support.
We thank our 2016 Luncheon sponsors and supporters!

Thank you to our sponsors, table captains and guests of Ryther’s Healing Hearts, Healing Homes Luncheon. Your support provided 24/7 care and treatment for traumatized children ages 6-14. Many thanks to Keynote Speaker Laura Porter and to Master of Ceremonies Jean Enersen.
